Nature and description of the legal proceedings

This Petition for Correction of Domestic Arbitral Award was instituted in the Regional Trial Court of Makati to seek correction of the computation of damages awarded to DFNN, Inc. ("DFNN") in the arbitral award dated 21 May 2015, issued in a domestic arbitration entitled "DFNN Inc. (formerly known as "Diversified Financial Network, Inc.") vs. Philippine Charity Sweepstakes Office"

Under Rule 11.4, in relation to Rule 11.4(B)(a) of the Special ADR Rules, the Court may correct/modify or order the arbitral tribunal ("Tribunal") to correct/modify the arbitral award if there was an evident miscalculation of figures or an evident mistake in the description of any person, thing or property referred to in the award.

In the arbitral award dated 21 May 2015, the Tribunal found that Philippine Charity and Sweepstakes Office ("PCSO") erred when it rescinded DFNN's Equipment Lease Agreement (Systems Design Development, and Upgrade for Lotto Betting Via Personal Communication Devices [PCD] via TEXT, GPRS, BlueTooth, 3G, WiFi Protocols, and other wireless devices) ("ELA" or the "Agreement"). Thus, the Tribunal ordered PCSO to pay DFNN Php27,000,000 as liquidated damages.

The computation of liquidated damages under the ELA is governed by section 13.2 (i), which states that, "PCSO, if it is the party in default, shall pay DFNN liquidated damages in the amount equal to the market value of the System... inclusive of a penalty charge of two percent (2%) per month on the amount due computed from the date of termination or cancellation of the Agreement to the actual date of payment."

Considering the foregoing, DFNN states in its Petition that the non-inclusion of the 2% penalty charge in the liquidated damages awarded to DFNN constitutes "an evident miscalculation of figures." The Petition further states that as the illegal termination of the ELA by virtue of DFNN's Board Resolution No. 080 series of 2005 on 5 April 2005 until the rendition of the Award on 21 May 2015, covers a period of one hundred and twenty two (122) months and seven (7) days, the Tribunal should have computed the liquidated damages awarded to DFNN at Php310,095,149.70.

The effect(s) on the Issuer's business or operations, if any

The ruling of the court is further validation of the correctness of DFNN's stance that its contract with PCSO was improperly terminated. The recent court ruling granting the Petition for Correction of the arbitral award is a step forward in seeking maximum restitution for the benefit of the shareholders. There is no effect on the business at this time until DFNN collects from PCSO.
