DFNN posts 672% increase in net income for Q1 2017

Taguig, Philippines, 13 May 2017 – Publicly listed I.T. firm, DFNN Inc. (PSE: DFNN) (“DFNN” or the “Company”) reported today a consolidated revenue of Php266.32 million and a comprehensive income of Php52.66 million for the first quarter of 2017. In the same period last year, DFNN posted revenues of Php 58.04 million and net earnings of Php (9.26) million. The figures represent a marked increased of 359% in revenues and 672% in net income.

The notable improvement from last year’s performance is attributable to the expansion of the Company’s gaming footprint and increased adoption of its technology platform. By the end of the first quarter of this year, the acceptance and utilization of the Company’s Electronic Games platform environment resulted in over 6,500 terminals running in more than 200 gaming outlets throughout the Philippines. Additionally, the transaction volume for the Company’s Digital Virtual Games offering, is also being adopted at an increased rate.

Moving forward, DFNN is committed to strengthening its technological expertise to deliver the best solution offerings, services, and support to its partners. Moreover, the Company is optimistic about the launch of its Sports Betting Exchange platform within the coming weeks.

CEO Ramon C. Garcia states, “We are very pleased with our first quarter group wide results. We aim to sustain this trajectory through the next quarter as we launch our Sports Betting Exchange Gaming Platform .”
