DFNN Re-Appoints Ramon C. Garcia, Jr. as Executive Chairman

Ramon C. Garcia, Jr. has been unequivocally reappointed and supported by the Board of Directors as the Executive Chairman of the Board of DFNN Inc. This comes after Antonio A. Lopa retired from his position on March 31, 2020.

Executive Chairman Garcia is the founder and a director of various corporations involved in the banking, insurance, education, defense, capital markets, and project development industries. He is also a co-founder of the Financial and Capital Market Trading Foundation, where he serves as a member of the Board of Trustees.

“I cannot thank enough the many years our former Chairman Antonio Lopa has diligently and dutifully served on our board. He is one of the original founder shareholders of the firm. I am confident in the management of the firm and its direction. I am here to support the Board with my fellow directors and the management in continuing to build the DFNN Group of Companies in the IT Industry.”

Executive Chairman Garcia is credited for building DFNN Inc. from its humble beginnings to a leading IT solutions provider.
